

di-nafgita Reply hanfvas. What is the essence and what is the reason You will not understand... So why, so fast You're walking away... You know how I wait Meeting with you you know i love You, painfully... But that's the way the world works What am I... I don't know why Through this life... Why am I at night In tears... I'm sick of you Why am I waiting for you... In dreams... And I can't understand What's happening... I still love You... But still - I'm waiting... I'm really looking forward to, I hope so too, You are also waiting... We will meet you In love... Let's be together
